

Third party verification of results application

This service is for third parties who need us to verify a candidate's results from a copy of a results document supplied to them by the candidate. The third party must submit a copy of the candidate's ID and the results document to be verified with the completed application. We process applications within a maximum of 28 days of receiving a completed application and payment.

The results verification outcome is provided in a letter that is emailed to the third party contact only. We will not send the outcome to the candidate. The outcome letter we send confirms whether all details shown on the submitted results document are correct against our permanent record, and the information provided is based wholly on that record. It does not show the candidate's subjects or grades. If a hard copy of the candidate's results is required, the candidate should instead apply for a certifying statement at www.cambridgeinternational.org/certstat.

A verification of results is not a signed verification letter or a stamped, attested copy of results. Candidates requiring attestations or signed documents should contact Customer Services by phone on +44 (0)1223 553554 or by email at info@cambridgeinternational.org to be redirected to the correct regional office. Candidates requiring exam documents for World Education Services (WES) must apply for a certifying statement. **WES will not accept verification of results outcomes.**

Complete the form in BLOCK CAPITALS. The form must be returned with a copy of the candidate's valid ID and copies of the results to be verified. See page 2 for information about payment, candidate ID and how to return the form. Please note that if payment has not been received within six weeks of an accepted application, it will be closed. If at a later date a verification is required, a new application together with supporting documents (candidate ID and certificates) will need to be submitted.
