Cambridge ICE

The Cambridge ICE certificate is a group award designed for schools that want to offer a broad curriculum. Candidates enter and sit for a minimum of seven subjects selected from the five IGCSE curriculum areas: Group 1 – Languages, Group 2 – Humanities, Group 3 – Sciences, Group 4 – Mathematics, Group 5 - Creative and Vocational.

Cambridge ICE is awarded to candidates who pass in at least seven Cambridge IGCSE subjects, including two from Group 1 and one from each of Groups 2 to 5. The seventh subject may be chosen from any of the syllabus groups. **Please note schools are responsible for ensuring that students have valid subjects for the combination award as Cambridge will no longer be responsible for validation. Entries withdrawn due to non-qualification will not receive refunds from Cambridge International.**

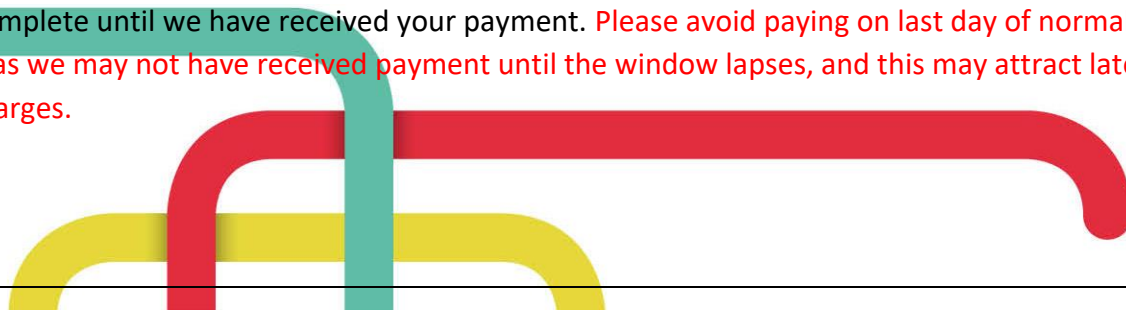

Teaching Group for Primary & Secondary Checkpoint

You need to enter a teaching group code for each syllabus entry. Cambridge uses this information in the diagnostic feedback provided at the end of the series. Assign the same teaching group code to all candidates who are in the same class (teaching group).

For example, if your candidates for English as a Second Language are taught in two separate classes, you should enter 'L1' as the teaching group code for all candidates in the first class and 'L2' for all candidates in the second class. The teaching group codes available in each subject are listed on the Schools Registration System (SRS) portal.

Important information:

- 1 We recommend you register and pay within **normal registration period**; your registration is not complete until we have received your payment. **Please avoid paying on last day of normal stage as we may not have received payment until the window lapses, and this may attract late fee charges.**

- 2 Private Candidates must register for Cambridge Exams online here - <https://www.britishcouncil.org.ng/registrationprivate-candidates> Amendment fees apply to entry changes made after the normal registration period
